

**save
\$199!**

***Special offer to the
first 500 users!***

If you sign up to become part of F-PAD's early release test group, we'll waive the \$199 start-up fee! Contact your crop insurance agent to enroll now!

Please see other side for flexible payment options.

F-PAD is available only to policyholders of Great American Insurance Group's Crop Division. Calculations generated by the current version of the F-PAD application are drawn from data on corn and soybeans only. Additional crop options will be available in upcoming versions of F-PAD.
